“ Wanda and I became friends working for the cable company over 20 years ago. She was like the mother hen of the department. We all loved her so much. She always had a smile and kind words for everyone. I know she is in a better place because in her life here on earth she walked with God. Rest in heaven my sweet friend.

“ My sweet grandma coffey. Thank you for always being a phone call away. Thank you for all the rides in the little cars. The trips to the library where I would get bloody noses. The trips you took us on. Where I would get home sick. Thank you for always making me feel loved. I really hate that you had to go. But I'm happy you are watching over us. I'm thankful that god gave us the time he did. I love you more than anyone would ever know.
