“ *Justine was always good to me. Occasionally on a nice, sunny day, if the salon was having a slower day I would ask Justine if I could go and enjoy the outdoors. She would let me leave work. She knew I was a hard worker and I wouldn't take advantage and in ever did. She always invited us to her home for employee Christmas. She was a good person. Condolences to Donna and family. She will be missed. Sad to hear the news.*

“ *Justine was my boss at Castner Knott for a number of years and she was a dear friend of mine. I will never forget when I opened my salon in Bowling Green she came down from Louisville one day and came by to see it. I so appreciated her doing that. She was always such a good example when I worked for her. I am so sad to hear of her passing and her daughter Donna and family are in my prayers.*
