“ So sorry to hear of Wanda's passing, she was always very special to me. She treated me as one of her own, as long as I can remember. Mark is like a brother to me, and Wanda was always there when we needed her, good or bad?!? When I was diagnosed with cancer this past fall... She was extremely supportive of my fight, and pretty vague when I asked about her's, now I know...she didn't want to discourage me, a really selfless act! Truly a special lady! She will be greatly missed!
