“ Granma mamma you were everything to us. I am so glad you're at peace and not in pain anymore. You will be very missed but always in our hearts. Words can't describe you, you're an angel sent from heaven. We will miss all the bedtime phone calls, that will be the hardest to get past. We will miss cooking for you, the kids playing board games, you telling us wonderful stories, your sweet voice and your wonderful hugs and kisses. You rest now, we will hold on to you in our hearts. We will meet again one day. I pray you will be the one to come guide us to our new home with you and Granddad, Uncle Charlie and Ryan and everyone that is where you are now. I'm going to miss picking at you but I'll be there one day then we won't miss anything anymore. Watch over us, we won't say goodbye but we will say we love you.??????????
