“ Wanda was quite a lady. She always looked very put-together and was smiling. I will always remember her taking a load of pictures at the family gatherings for birthdays, etc. She sure loved those grandchildren and great-grandchildren and they loved her. We'll miss you, Wanda. Rest in peace with no pain.

“ The last time I saw my "Auntie Wanda" was in the Phoenix airport. She and my Mom (Becky) were off to Portland on an adventure to see Fred. I met them so they could "unload" mom's little dog with me, while they were off footloose and fancy free! Before I could even see them I could hear their laughter coming down the hall, which made me laugh just waiting to see them. That is how I will remember my "Auntie Wanda" her spirit was adventurous and her laughter was contagious! Sending my love and hugs, Shellye

“ *Aunt Wanda was always "there" for us. She always called or met us for lunch just to keep in touch. Always smiling and said things that made you laugh. She always stayed busy and was a HARD worker. We will miss you terribly and love you!

Wanda has been a wonderful friend for 35 plus years. She was always upbeat and fun. We had many good times through the years. There were times of sorrow, too, but it was always good to share support and love during the bad times. She loved her family dearly, and my thoughts and prayers go out to all of you. I will miss her.
