“ JoNell, Carolyn and family, Our family is extremely sad at your father, Wayne's passing. We were always happy to be in Wayne's presence, as he loved life and was a joy to be around. We know that he was so very good to your Mother throughout her long illness and their love for each other was a wonder to behold. You can take some comfort in knowing what great parents that they both were and that they are once again together. I am sorry that we will not be able to attend the services or visitation. Mom does not think that she is up to the drive, but our thoughts and prayers are with you.
