“ Betty, I am not sure you will remember me but I worked with Wayne at Carpet Source for a good while. He was the best of people to work with, always at your side if needed. The time I worked with Wayne were the best years with the company, I still work for Jim but company is called AAA Carpet now. I talk about Wayne at times to the guys telling them what a great person he was to work with. He talked about you all the time, telling me about things you all were doing in your life. I felt like I knew you well. I am so sorry for your loss, life is shorter at times than it should be. I just heard today Wayne had a bad stroke a while back. Sorry I did not know. Just know you had a man who loved you and who was so proud of you. I am so honored he shared so much about you with me during our work hours. Bless you and your family in this trying time.

“ Jesus said,
*I am the Resurrection and the Life; he that believes in Me, though
he were not dead, yet shall he live, and whosoever lives and
believes in Me shall never die.*

John 11:25-26

*Uncle Wayne will always hold a dear place in my heart. I could
always make him laugh. He was definitely true to his family and they
came first. I am praying for you Betty, Troy, Curtis, Angie, Sondra
and all grandkids. Love y'all dearly!*
