“ We lost a dear friend on Monday. Paul & I have been friends since 1964, when I started as a new Salesman with Frito Lay. I only worked with Frito for 4 years and retired with Nabisco. Paul would stop by the house and we would talk for hours, he at that time was still driving a truck, delivering to mini warehouses of Frito Lay. He was a CLASS ACT, I will miss him, he was RIGHT ON with his politics. God Bless his children & Grandchildren. Sleep Well My Friend! Charlie Brown
