“Bonnie and I send our sincere condolences to you and all the family in the home-going of Wes. Our prayer is that God will comfort your hearts and uplift your spirits through these difficult times. These are not easy seasons in our lives, but we will triumph in victory. May you sense God's presence in the coming days as He holds you in His arms. Wes was the childhood brother I never had. I have so many great memories of the times we had together growing up. You all always opened your home to me as a family. I will never forget how kind the Starr family was to me.
