“ I share your grief, Bob for I lost Marge on june the 14th. Toni , Marge, Doris, Maggie are all well,not hurting or in pain any more and are probably discussing wher they are going to go foe a buttered bisquit. We have to believe what Jesus promised. He has prepared a place for each of us. And one day you will see Toni again and I will see Marge. I'm just taking it one day at a time. Stay strong and look up. Be Blessed.
