“ Was saddened to hear the news of Fred’s passing. My family lived next door, Fred and Delores were always such a great couple.. Played baseball in the street with Dennis, and John. I still remember John sliding across that manhole cover, and never get a scratch. Prayers of comfort to entire family.

“ Fred was a great neighbor many years ago and still a good friend. He was a great Husband and Dad and neighbor. We had good laughs and times with Fred and his family. We watched both his family and mine grow up together as neighbors. He and Delores were there beside me when my husband died suddenly. Fred was a caring person to everyone. He will be missed by all who knew him. My sympathy and prayers are with all the family.

“ Fred, you were the best Father-in-law a girl could have. You were just like a father to me. You welcomed me into the family with open arms. Your smile would light up a room and your laugh was wonderful to hear. I will never forget you, your smile, your laugh, your love for your family, and the family get togethers that you loved so much. You will be missed greatly, but you leave us with wonderful memories and your heartwarming smile. I can't wait to see you in Heaven! I love you! Diana
