*“ I am so sorry to hear about your dad's passing. I remember playing baseball on the White Sox's team when I was 8. He was a great coach. I have fond memories of practicing in your backyard. I know your memories will help you through this difficult time.
Sincerely,

“ I want to say how sorry I am about your loss. I didn't look at the paper until later this evening and found that I would not be able to make it to the funeral home in time. My heart goes out to the entire family.
