“ Just a little note to thank you for taking me in 44 years ago. A scared little girl with no ideal or place to go, I appreciated all that you did for me even if I didn't say or show it enough. it wasn't the money or materialistic, it was just knowing that you believed in me enough to take me in and give me chance in life. You feed me and gave me a roof over my head and that's more than i could have asked for. Knowing that you had 4 kids of you own to take care of already, but there you were taken me in and for that sir I THANK YOU! I may not have said it or showed how much I loved you, but you were the dad i never had! Rest in peace with your family that went before you. I LOVE & MISS YOU!
