“ While I met, worked with and been friends or associates with literally thousands of people around the planet, Bill/Willie/Peeps/Peepaw Green tops all as a considerate, loving, embracing and genuinely positive happy human being. In the 42 years I have known him I have NEVER seen him down, negative or angry and I have never heard him say a cross word or make a negative comment about anyone (at all). Equally amazingly I have NEVER heard anyone say anything negative about him.

Condolences to all in the Green Family for the loss of their patriarch.. And prayers that all of us who he touched will honor his legacy by looking for the positive in people, overlooking disagreements and embracing one another and life. Godspeed and prayers to an amazing role model.
