“ Sorry for your loss, it was wonderful seeing all you kids from next door growing up! I remember your dad & mother living next door and always being there for friends and neighbors. When we first moved in your dad came over and cut down 4ft high grass/weeds in our backyard. That was the good ole days when you could count on your neighbors. AZALEA LANE was great place to grow up!

“ My late wife Lois and I of had the pleasure of meeting Bill and Thelma at the Shepherdsville Country Music Show. We sat together with them at the shows. Bill will be sorely missed and my condolences and prayers go out to Thelma and the family.

I know Bill had many talents that led to a successful business career, but his real strength was in the manner in which he related to people. This is probably best captured in the words of Ralph Waldo Emerson who wrote;

“What is success?

To laugh often and much; to win the respect of intelligent people and the affection of children; to earn the appreciation of honest critics and endure the betrayal of false friends; to appreciate the beauty; to find the best in others; to leave the world a bit better, whether by a healthy child, a garden patch Or a redeemed social condition; to know even one life has breathed easier because you have lived. This is to have succeeded!”

That pretty much sums up our friend Bill Rader.

“ Bill was one of our regular patrons at the Shepherdsville Music Show, but even more than that ,he was one of our close friends. .Everyone Loved him and it's not going to be the same without seeing his smiling face sitting on the front roll every Saturday. He has been with us almost 20 years.. I know he loved our show cause I can count on my hand the times he missed.He was a true patron and friend.Bill every time I sing the "Family Bible", you will be in my heart.
