

William Henry "Bill" Huff

May 2, 2017

Our Lord and Savior called William Henry "Bill" Huff, age 90, home on Tuesday, May 2, 2017 in Louisville. He is survived by his wife, Edith; and children, Linda Richmond (Scott), Gary Huff (Jenny), JoAnn Vernon, and Jerry Huff (Robin); 11 grandchildren; and 18 great-grandchildren. Bill served in the Armed Forces during WWII in Okinawa. From 1959-1961, Bill helped build one of the Mercury rockets. On May 5th 1961, Alan B. Shepard, Jr. flew the Freedom 7 rocket into space, and into history, as the first American into space. Bill worked at Reynolds Metals, and International Harvester as a Pattern Maker. His best accomplishment was his service to his Lord Jesus Christ through his church, Shively Heights Baptist, and then through the joining of his all-white church with an all-black church of St. Paul, breaking the boundaries of race and racism. Bill was a true servant to his church, as a Deacon and Sunday School Teacher, to his family and friends, and a part of things better than himself. Funeral services will be Friday at 11:00 AM at Owen Funeral Home, 5317 Dixie Highway; entombment is at Resthaven Memorial Park. Visitation is Thursday 2:00-8:00 PM.
