“ My wonderful husband. It has been almost 2 years since you were called home. I still cannot believe I am living my life without you. There is not a day go by you are my first thought every morning and my last thought when I close my eyes at night. God, what glorious day it will be when we meet again. Save me a place on your lap on your cloud. See you soon my husband. Love you more, forever and after....

“ My dearest husband. It has been 297 days since our lord Jesus Christ took you home. There is not a day or a moment in the day that I do not think about you and miss you. From your giggles, making your own words to popular songs, making dance outside if the car in the rain but most of all, your strong and reassuring hugs. I was truly blessed every minute we were together. Thank you husband for loving me. Save me a place on a beautiful cloud. I will see you when it is my turn to come home.. Love you more, for ever and after

“ I'm sad to hear of the loss of such a nice man. Pete was so kind and took many wonderful pictures of my kids and grandkids .He was always smiling and thoughtful . It's terrible that his earthly vessel could not keep him here longer; for Joyce, Allison ,Sharon ,David ,Rita,and all his family and friends ,who Im sure loved him as they did. Sincere sympathy and prayers from Mark and Angela Hall.
