“ My prayers go out to each of Keith's family, I have known him going back to the days of the dive shop on Dixie when I was good friends with Joe Sr. as well as Keith . Over past years we enjoyed catching up occasionally boating on the river. May God watch of Keith and each of his family:

“ *My condolences to Justin, Joe, Pam and the entire Elkins family. I went to high school with Keith and have great memories of him over the years. We spent many Derby parties together at the Smith derby parties and always had a great time hanging with him at our high school reunions. He always had a smile for you. He will be missed. My thoughts and prayers are with the family during this difficult time.*

“ Keith had the biggest heart. He always shared his kindness and love. Although I only knew him for a few years, he always brought a smile to my face with that contagious laugh of his. The love he showed for Justin, Ashley, and their children was the kind of love this world could use a lot more of. I know you are dancing in the sky! Watch over all of us from above and know that we will all meet again one day. Until then, we miss you and love you.
