Tribute Wall

TJ

“ I have known Bill since 2007 and worked with him at Sam Swope Chrysler. Bill was always ready to lend a hand (or a tool) whenever you needed it. He loved to share his experiences and funny stories from his career and I will miss hearing him tell them. Bill also would always greet his coworkers with a friendly "good morning." Bill will be missed greatly.

“ Bill was a friend to all and always had a smile on his face. Race day at Rubbies wont be the same without you. Rest in peace friend.
