“ Dirty was the absolute best friend I ever had. He was always there to keep me laughing and he would laugh with me. If I was mad I could count on Terry to be right there having a fit with me. My favorite memory is the time that I made him promise to hit me right in the mouth if I ever repeated a certain mistake that I chose not to name right now lol. Anyway, true to my pattern said mistake came right back home. I knew I had a lick coming. He promised. So I go to his house bang on door braced for said lick.

*But instead he said. I ain't gonna hit ya stupid. I said you ain't sh** if ya don't D. And ya know what? That asshole walloped me right in the jaw without any hesitation too! That was my friend. Since middle school... Lol Then we laughed and went on to do plenty more dumb things together. I miss my friend already. I'll see you again someday Dirt. I owe you a lick and I aim to deliver hear me. You will always be remembered and loved. Fly High My Friend. -Mandy*
