Mrs. Pass I recall so many times visiting your home, looking for Tom, and I would like you to know now how wonderful a person you are as well as Mr. Pass. Tom and I had many wonderful & fun times. You have a wonderful, close family ! I will be saying Prays for each and everyone.

“ As a young wild child that hung around with Tommy and really enjoyed going over to the Pass family home I remember being able to talk freely and sometimes I would get advice from Mr Pass. I can tell you he sure saved my butt the night I ran their car into a security cop at McDonald's. He really had a way with words. I will always remember him. From one Bill to another Bill, you really made your mark in many peoples lives.
