He was born to William Harvey and Hazel Irene (Kline) Sammons on November 11, 1952 in Mt. Vernon, Illinois. He was preceded in death by his parents. Bill was self-employed as a Computer Consultant. His loving wife Teresa D. Sammons (Logsdon) is left behind to cherish their 46 years of memories and will sorely miss him. They met at Murray State University. His wife prays a simple prayer, "Dear God thank you for this man that I shared many wonderful memories with. Keep Bill blessed, happy, and pain free in your arms until we meet again". Bill was diversified in his interests. He enjoyed traveling, photography, cooking, nature, animals, and the sciences to include astronomy, physics, and mathematics.
