“ Leon and I were stationed together in the Army in the early 1970s. He nicknamed me Country. After our service was over, I ran into him at his Bowling store. We always shared fond memories of our time together. Although I haven't seen Leon in some time, I will never forget our friendship. RIP friend!

“ Leon was a good man and a great friend. I learned a lot about bowling from him. Some of the conversations that may him and Chris W had about fishing we're classic. To this day Chris and I still talk about them from time to time. When I said something stupid one time, Leon said "Roby, you're a genius". Chris and I say that all the time. I will never forget bowling with Leon fishing with Leon And all the serious talks and the jokingly conversations we had. If there is a heaven, I hope I make it there and get to see my friend again.
