“ Dora and family, Bro. Cosby was a soldier for the Lord. He blessed everyone that he came in contact with. Because of Strong faith and obedience to God. One of our young men Stood last night and said "We should continue to pray for the Lost in Bro. Cosby's family." He would ask often for prayer. He was a good man and left behind a good witness. We Loved him. He is at rest. One day he will rise again on the resurrection morning. Thank you Lord.

Love, Delores and Chuck

“ Our hearts are saddened at the loss of our friend and neighbor. This good man with a kind gentle way about him that we grew to know and love. In his life he loved and feared his GOD. He loved his family, his church, his garden, mowing his yard and fishing. This man loved a good meal. This friend who we loved and respected who used our garage as his pray place when he was at his country home and could hear him calling on GOD many times on our behalf. This friend who was there when both our girls were saved praying and rejoicing for them. The good laughs and conversations that we shared on our porches with him, Dora, Aunt Pauline, Danny and I. Dora, how we have missed those days. Though he has left us for now, his prays and requests for his kind and his preaching are still with us and we know that GOD can still answer his prays. May GOD give his family and his church comfort and strength thru this sorrowful time.

“ We are deeply saddened at the loss of this wonderful man with such a gentle spirit. His friendship enriched our lives and we treasure the memories we have of him in church services and in our everyday lives. His homegoing leaves a huge empty spot in the life of everyone who knew him. Dora and the rest of his family are in our thoughts. May God give you comfort and peace...Nelson & Pauletta
