“ My Aunt Yvonne was such a fun spirited, constantly laughing, and loving woman to be around. Every conversation we had together was filled with jokes and giggles. I love hearing all the stories you shared with me about growing up with my mom and Uncle Jerry. You fought a tough battle, but we all knew you were already a tough cookie to begin with. I'm going to miss you so much and I know you'll be watching over all of us. Love you always!

“ I am so sad to find this out. Yvonne and I have been friends since the 80's. I had not seen her in about 30 years. We had been talking over the years and when I was supposed to go out there and go to the Derby they shut our lives down. So never got to see her again. Rest easy my sweet friend. I will miss you always.

“ Dearest Yvonne, some of our best fun times shared was walking along the beach in Clearwater picking up shells. We have collected sooooo many unique shells. We have those shells in a vase with a candle that will always remind us of our treasure hunting. What we will miss most is your infectious laugh, sense of humor, and beautiful face. We love you dearly and can't wait to see on the beach. Love your brother Jerry & Debbie

“ My dear friend Yvonne it is with great sadness to hear of your passing. You where my partner in crime here at work and my lunch partner too. I know you wouldn't want any of us to be sad, but the warehouse is feeling the loss of our great friend tremendously today. We love you and will always keep you close to our hearts. I have some great memories of you and our time together. Rest easy. Love and miss you dearly.
