*“ I'm going to miss you so very much! Watching you across the street in that rocking chair on the porch. The talks we had, the love I know we shared. You always made me laugh. I'll be right here watching over Bobby and Jacob. We love and miss you!*

*“ Bob, Bunny was one special lady. You know, mom and dad loved being a part of the McDonalds Breakfast Club with her. We had great times there. Rest assured that today, Bunny, mom and dad are sitting around a table up there, probably having birthday cake for someone, laughing at all of us silly fools down here. We will all be together again one day. It will be difficult for a while but know that Bunny is with us in spirit. Please let us know if we can do anything for you. God Bless. Kevin, Zach and the rest of the family.*

“ *I miss you so bad already it hurts. You were the best sister a girl could ask for . You loved me no matter what no judgements from you ever. I was proud to call you my sister. I will watch over Mom in your absence. You were loved beyond measure and my life will be forever changed. I love you forever from your little sister Connie Sue*
