“ Although I only knew Zack a short time thru work and as my daughter's friend, I know that he will be missed. He was always polite to not only myself, but other team associates when he worked at Honeywell. He was a really sweet young man. My daughter and I will have him and his family in our thoughts and prayers.

“ My thoughts and prayers are with all that is left behind. Zachary is now an angel with wings looking down on all of us. I remember the first time I met you. Your daddy was holding you and had a smile on his face that I will always remember. I love you and will miss you.
